## 01. CHARLIE BORALEY - IN MY MIND THERE IS A MONSTER

(instrumental)

Forget to write  
And don't call me,  
I'll call you  
Now disappear

## 02. GIOVANNI CIPOLLA - MONSTERS

Peeking under my bed  
I hope you're all in my head  
In my imagination

I'm not scared of you anymore  
Go back to the cave you lived in before  
Your scaring days are through  
'Cause I'm not afraid of you  
You scary monster

(lyrics copyright Giovanni Cipolla)

Saw you on the TV  
When you looked straight at me  
I changed the station

Pack your bags  
Leave me alone  
This sleeper's through

## 03. JOANNA SANDSMARK - WHEN MONSTERS WANT TO DANCE

When monsters smash your toes  
You have to bite their nose  
Don't think you have no chance  
When monsters want to dance

Those stinky feet  
Can go somewhere else  
Next door will do

Not all monsters are clumsy  
Some dance quite divine  
But if they trip and stumble  
Then take that as a sign

I'm not scared of you anymore  
Go back to the cave you lived in before  
Your scaring days are through  
'Cause I'm not afraid of you  
You scary monster

When monsters smash your toes  
You have to bite their nose  
Don't think you have no chance  
When monsters want to dance

Lying here counting sheep  
Trying to get some sleep  
But you won't let me

If you can't find a monster  
Who's as graceful as can be  
You need to go a searching  
For a dancing fantasy

My closet isn't your flat  
You look and smell like a rat  
I want you gone when I count to three

When monsters smash your toes  
You have to bite their nose  
Don't think you have no chance  
When monsters want to dance

I called a cab  
It's time to go  
Go on, get out of here

(Oh pardon me.)  
(I'm sorry. So clumsy.)  
(I'm very, very sorry. Ow! That's my nose)  
(Whoops! Sorry.)

The oafs are in your closet  
The bumbling under your bed  
The klutzes hide in shadows  
Have the graceful ones all fled?

When monsters smash your toes  
You have to bite their nose  
Don't think you have no chance  
When monsters want to dance

(lyrics copyright Joanna Sandsmark)

#### **04. LOGAN WHITEHURST AND THE JR. SCIENCE CLUB - (SHE'S) TEN FEET TALL**

I'm on the phone with her  
And she says she's tired  
Of being unpredictable  
So she's going to go to Portland  
She's going to go away

I don't care if she's crazy  
I heard lycanthropy is curable  
It takes a bulldozer to knock her down  
And she gets back up again  
She gets back up again

She's ten feet tall  
She's ten feet tall  
And I'm intimidated

Sirens down the highway  
Lights flash on and off and on  
Footsteps down the fire escape  
And she's never seen again  
She's never seen again

Spray paint in the subway  
Broken glass in my coffee cup  
The waitress says I'm sorry about that  
And she takes the cup away  
She puts it on her tray

Where's my coffee  
Where's my sense of direction

She's ten feet tall  
She's ten feet tall  
And I'm intimidated

(lyrics copyright Logan Whitehurst)
